A Note From Our Chairs

As chairs of the Florida Medical Clinic Foundation of Caring's upcoming gala, "A Quest into the Possible," we are honored to extend an invitation for you to join us in supporting a cause that is truly near and dear to our hearts.

For many years, the Foundation of Caring has been dedicated to improving the lives of those in our community through various programs and initiatives. We are proud to have made a significant impact in the greater Tampa Bay area, having re-invested over \$3.8M into 189 nonprofits in Hillsborough and Pasco Counties. In 2022, we also collected over 3,000 pounds of food and distributed it to local food banks, partnered with Oasis Opportunities and Children's Cancer Center for our Holiday Drive and collected thousands of dollars worth of shoes, clothing, hygiene items and toys for families in need.

Despite these achievements, we know that there is still so much more to be done. Every day, families in our community struggle with poverty, illness, and other challenges. Children go to bed hungry and without the basic necessities for a comfortable life. Parents work tirelessly to provide for their families, but often fall short. These are not just statistics or numbers on a page, these are real people with real stories and real struggles.

As individuals, we may feel powerless to make a difference, but when we come together as a community, we can accomplish truly incredible things. Why is that? Well, we believe the answer lies in our quest to become our best selves. We naturally want to help others succeed, but when the demands of modern living – our obligations in particular – get in the way, striving to live up to our best selves gives way to expediency.

A large part of the mission at the Foundation of Caring is to remove the barriers standing in the way of you making the biggest possible difference in the world. That's why we are reaching out to you today, to ask for your support in our mission to improve the lives of those in need within our community.

Your support as a sponsor will not only help us to continue our mission but also to make a significant impact in the lives of those in need right here in our own backyard. We understand that you have many charitable organizations to choose from, and we are honored that you are considering the Foundation of Caring. We believe that by working together, we can make a real difference in the lives of those in our community. We look forward to hearing how we can help you to get the most value out of your support!

We would be honored if you could join us for this special event, as we embark on "A Quest into the Possible" together.

With sincere gratitude,

Travis and Ashley Jennings

Our Story

Keeping you healthy is only the start of their commitment.

For nearly 30 years, Florida Medical Clinic (FMC) has cared deeply for their patients. In their steadfast commitment to be invested in healthcare and focused on human care, FMC saw the needs of their community growing. So, in 2005 after a long history of informal giving, the clinic established the Florida Medical Clinic Foundation of Caring (FMCFOC), a nonprofit charitable organization dedicated to helping others.

Intended to be a catalyst for community change, FMCFOC was created to be a one-stop resource for your philanthropic efforts. By collectively pooling our resources, we unite people, businesses and organizations that have the passion needed to create lasting transformation in our community.

Together, we can impact a variety of worthwhile community focused projects and programs. The gifts received from events like this gala are combined so everyone plays a role in helping our partner nonprofits change lives. Since each charity is vetted by our Board of Directors, you have the peace of mind that your donation will be used wisely and directed to the areas of greatest need.

FMCFOC, unlike most medical foundations, does not use any of the donated funds to support or enhance clinic activities. Instead, it was designed to strategically re-invest dollars locally through qualified nonprofit organizations. Currently, nearly 93% of the monies raised goes back into our community to provide hope, opportunities and solutions to those who need it most.

Our competitive grant process allows charitable organizations in Hillsborough and Pasco counties to work jointly with the Foundation in order to enrich lives and create immediate and ongoing positive change. With your support over the last 18 years, we have stocked food pantries so families could eat, provided prescription funding for uninsured patients, ensured foster kids had a safe place to sleep and underwritten costs of accessibility upgrades to support people with disabilities now aging in place.

To date, together, we have re-invested over \$3.8 million dollars in 189 local nonprofit organizations. And, with your support of this event, we can continue to make a more meaningful and long-lasting impact in our community.

What is the Celebration of Caring?

Each year, the Florida Medical Clinic Foundation of Caring hosts an event dedicated to raise awareness and to support its granting initiatives. Known as the Celebration of Caring, it is an opportunity for the Florida Medical Clinic providers & staff, our friends and community leaders to gather together, forge friendships and celebrate each other while raising funds to build stronger, healthier communities in Hillsborough and Pasco counties. Over 500 strong, all of our attendees are philanthropic, socially conscience, community minded change makers who want to make a difference.

The 17th Annual Celebration of Caring Gala

– Quest Into The Possible will be held Saturday, May 6, 2022 at the Bryan Glazer Family JCC. It will be an inspiring evening celebrating our diversity and how coming together for a common purpose makes all things possible. Filled with amazing food, signature drinks, live and silent auctions, the event will feature one of our many partner charities, who will share their story of resilience, triumph and hope.

MISSION

Our mission, through quality and innovation, is to build communities where people with disabilities achieve their goals.

For 60 years, Quest, Inc. has transformed the lives of thousands of adults and children with developmental disabilities through a range of services proven to increase capabilities and quality of life. From the humble beginnings of a single location serving eight individuals, to currently over 20 locations, serving over 500 individuals each day in Orlando and Tampa, they continue to build communities where people with development disabilities achieve their goals.

Together with Your Help, this is what is possible!

The Faces of our Inspiration

Stories of Impact

Voices for Children

Emma was born substance exposed at 39 weeks and weighted 6 lbs. 1 oz. Her mom used Xanax, Dilaudid and Methadone during pregnancy. The exposure to these drugs during her mom's pregnancy caused Emma to have severe withdrawal symptoms requiring administration of several medications.

While in the hospital after delivery, a nurse found Emma wedged between mom and a chair. Mom, who was also struggling with mental health issues, was unable to pick up her tiny baby. As a result, Emma was assigned a Guardian Ad Litem (GAL) SWAT team member to advocate for her as she maneuvered her way through the court system and foster care.

Her GAL visited daily the first several weeks. Through a Foundation of Caring grant, Emma was supplied with critical items like a blanket, a Boppy pillow, onesies, sleepers and stuffies so she could have a chance to thrive. The GAL remained in daily contact with the baby's nurse for updates. She brought and read books to Emma and was also able to feed her quite often. By the last two weeks of her hospitalization, baby Emma was vibrant, alert, consolable, and a cuddly little happy baby, weighing in at over 9 lbs!

East Pasco YMCA

Tatum and Tyson are two brothers who live with their grandparents. They can be quite a handful, but the Y staff was willing to work with them to improve their behavior. They have been coming to camp at East Pasco since Youth Relief Care in 2020. Through Financial Assistance provided by a grant from the Foundation of Caring, the brothers have been able to experience the fun and friendships available at camp.

Their grandmother said: "The summer camp is so important to our family. The camp provides an amazing array of indoor and outdoor activities that the kids would not otherwise have. The staff works really hard to accommodate the needs of the children and adapts ways to handle or offset issues surrounding behaviors while keeping everyone safe and centered. I cannot say enough good things about the program or the staff."
